**A** You must be a New Zealand citizen and your name must be on the Parliamentary Electoral Roll (anywhere in New Zealand).

When lodging your nomination, proof of citizenship will be required (copy of passport, birth certificate, citizenship certificate).

You will need to have two electors enrolled on the Parliamentary Electoral Roll in the area you are standing for to nominate you – e.g. if you stand for the Rural General Ward, the nominators will need to be two electors enrolled on the Parliamentary Electoral Roll for that ward. (Note the candidate does not need to reside in the area in which they are standing but will need to disclose that fact in their candidate profile statement).

Nominations open on Friday 15 July 2022. If you would like a nomination paper and candidate information handbook sent out, please contact the electoral office closer to this date. Nomination papers will also be available on council's website ([www.stratford.govt.nz](http://www.stratford.govt.nz)) from 15 July 2022.

A candidate information handbook will be available in April 2022.

Candidate campaigning can commence any time prior to the election (no time restriction), but any expenditure made, within or outside the three-month applicable period before election day, must be accounted for.

---

**Q17. What is a candidate profile statement?**

A You may provide a candidate profile statement when you lodge your nomination. This is a statement of up to 150 words containing information about yourself and your policies and intentions if elected to office. The profile statement will be included in the voting packs that all electors receive.

candidate nomination deposit is refunded if appropriate.

**Q19. How much can I spend on my campaign?**

A There is a limit on what you can spend on your campaign and it relates to the population of the area you are standing for.

The maximum amount that can be spent by a candidate cannot exceed the limits set out below:

5,000 – 9,999	\$7,000

20,000 – 39,999	\$20,000
40,000 – 59,999	\$30,000
60,000 – 79,999	\$40,000
80,000 – 99,999	\$50,000

It is an offence (carrying a fine of up to \$5,000 if convicted) to interfere in any way with an elector with the intention of influencing or advising the elector as to how he or she should vote. Candidates and their assistants should be mindful of this particularly if campaigning occurs in facilities such as rest homes or hospitals.

---

**Q35.** I didn't get my voting document, so I called and got a special vote. Now I have two voting documents. Which one should I use?

A Use the original one and destroy the special vote.

---

**Q36.** I received a voting document for a member of my family (e.g. child, parent) and have Power of Attorney for that person. Can I vote for that person?

A No – Power of Attorney does not apply to voting for that person.

A If they are overseas, you could post it to the person or destroy it if that is not practicable.

A Write GNA (Gone No Address) on the envelope and put it back in the mail.

---

**Q39.** What is that barcode that I can see through the return envelope or on the front of the voting document?

A It is a legal requirement to scan the barcode to mark the electoral roll that you have returned your vote so we can ensure that we do not receive two votes from the same person.

---

**Q40.** How do you ensure the secrecy of my vote?

A Returned envelopes containing a voting document cannot be opened until there is a JP present. The JP is required to sign off that the processes used by the electoral officer meet the legal requirements.

Note that the voter's name is not shown on the voting document.

When the envelope is opened the only thing the electoral office is looking for is that the vote for each election is valid.

This means that we are making sure that the voter's intention is clear, and the voter has not ticked or marked more than the number of candidates than there are vacancies.

---

**Q41.** Do I have to vote? I don't know any of these candidates.

A No, you don't have to vote, but we do encourage you to vote and exercise your democratic right.

You don't have to vote for all candidates or for all elections. But your vote is important because the people elected will be responsible for making decisions about what happens in your community for the next three years.

To help you get to know about the candidates:

- there may be candidate meetings being held in your community if you wish to go and hear what policies the different candidates are advocating for;

- there is a candidate profile booklet that comes with the voting document in which there is a photo and a statement from each candidate. This information will also be available on the Council's website ([www.stratford.govt.nz](http://www.stratford.govt.nz)) after nominations close (expected Friday 19 August 2022);
- candidates may have their own website, social media page(s), advertise in local newspapers or send out information to letterboxes in your area;
- local media are likely to cover information about the election.

---

**Q42. Do I have to post my voting document back?**

- A You can post it but make sure you have it in the mail by Tuesday 4 October 2022 to make sure it gets back to us in time (by 12 noon Saturday 8 October 2022).

However, you can also hand deliver your voting document to a ballot box during the voting period (Friday 16 September 2022 to 12 noon Saturday 8 October 2022).

For ballot box locations see Q47.

- A Special votes can be obtained from:
- Stratford Council's Administration Building, 61-63 Miranda Street, Stratford
  - or by phoning 0800 922 822.

A You can vote for as many candidates as you want to but not more than the number of positions available on the voting document. So if you are electing six councillors then you can vote for up to six candidates. Remember, for FPP you tick the candidates you want to elect.

You can decide not to vote for one or more of the different elections on your voting document. This does not invalidate votes for other elections on your voting document.

---

**Q50.** Why can't I vote for a certain candidate who is standing for a different ward or other election?

A You can only vote for the elections relevant to the area in which you live. You cannot vote for a candidate who is standing for example in another ward because you are not an elector of that other ward.

---

A You will need to call the electoral office on 0800 922 822.

---

**Q52.** I have received two voting documents.

A You will need to call the electoral office on 0800 922 822.

---

**Q53.** Do all the staff working on the election know who I voted for?

A No, your vote remains secret under the required separate roll scrutiny and vote counting procedures.

---

**Q54.** Can I help someone fill out their voting document?

A Under the Local Electoral Act 2001, you cannot interfere or influence any person as to how they can vote.

---

If authorised by a voter who is physically impaired, visually impaired or for whom English is a second language, a person can assist them to vote as directed by the voter.

---

**Q55.** What happens to all the voting documents after the elections?

A They are delivered to the New Plymouth District Court and kept for 21 days so that the court can access them should there be any application for a recount or petition for inquiry.

After 21 days, the court is responsible for destroying them.

---

**Q56.** What is FPP and how do I vote in an FPP election?

A FPP stands for the first past the post electoral system and used for the Stratford District Council, Taranaki Regional Council and Horizons Regional Council elections. The candidate or candidates that gets the most votes wins.

You should mark those you want to vote for with a tick in the circle. Do not vote for more than the number of candidates shown in the instructions.

---

## Election Results

---

**Q57.** When will we know the results of the election?

A Progress results will be announced early afternoon of election day.
