Product used:

Location: (e.g.  
bathroom, balcony)

I have sighted the above building consent and read the attached conditions of consent together with the waterproofing details contained therein; and confirm that:-

- The substrate is suitable for the application of the above waterproof
- The membrane has been applied in accordance with the manufacturer's specifications and technical requirements
- All work has been carried out in accordance with the building consent and complies with the following clauses of the Building Code (tick as applicable)

**External Membranes: B2 Durability and E2 External Moisture**

**Test method:**  Electronic  Flood

- All external membranes (roofs, gutters, decks, balconies, etc.) must be tested (mandatory)

**Internal Membranes: B2 Durability and E3 Internal Moisture**

- All tiled internal showers and wet areas must be flood tested (mandatory)

I understand that Stratford District Council is reliant on this producer statement in order to establish compliance with the requirements of the Building Act 2004, Building Code and the consented plans and will rely on this statement in order to issue the code compliance certificate for this application.
