I have sighted the above building consent and read the attached conditions of consent. I confirm that the backflow device has been installed and tested to comply to the extent required by the building consent and clause G12 of the Building Code.

I attach an as-built plan showing the location of the device (mandatory)

I understand that Stratford District Council is reliant on this producer statement in order to establish compliance with the requirements of the Building Act 2004, Building Code and the consented plans and will rely on this statement in order to issue the code compliance certificate for this application.
