# **NOTES TO APPLICANT**

You must include all information required by this form. If all information is not included, the consent authority

will return this to you and the correct information must be supplied before a written notice permitting your activity can be provided.

In order to be eligible for a deemed permitted boundary activity, the activity must meet the definition of boundary activity under section 87AAB(1) of the RMA 1991. Refer to the Ministry for the Environment website <a href="http://www.mfe.govt.nz/">http://www.mfe.govt.nz/</a>.

You must provide written approval from all owners of allotments with infringed boundaries under section 87BA(1) of the RMA 1991.

If all of the information required under section 87BA(1) of the Act is provided to the consent authority, the consent authority must notify you of your permitted boundary activity within 10 working days after the date on which it receives the information.

You must pay the charge payable to the consent authority for the deemed permitted boundary application under the Resource Management Act 1991 (if any)

If your proposal involves building work or change of use of a building you may also require a building consent under the Building Act 2004. This must be applied for separately.

SIGNATURE OF APPLICANT(S) OR AGENT
<b>Note:</b> A signature is not required if the application is made by electronic means (note: the plans do need to be
signed by all owners of allotments with infringed boundaries). If signing on behalf of a trust or company, please
provide additional written evidence that you have signing authority.
$\Box$ I hereby certify that, to the best of my knowledge and belief, the information given in this application is true
and correct.
☐ I undertake to pay all actual and reasonable application costs incurred by the Stratford District Council.
