

Stratford Community Directory 2010/2011

The Stratford Community Directory is designed as a quick reference guide to social services, clubs and organisations in Stratford for service users.

Every attempt has been made to accurately include all Stratford social service organisations and clubs in this directory. However, it is inevitable that some information provided may be inaccurate and/or out-of-date and that some organisations have been omitted.

The Stratford Community Directory is also available on the Stratford District Council's website <http://www.stratford.govt.nz>

If...
