<ul style="list-style-type: none"> <li>• Locality and site plan, and/or photographs showing:           <ul style="list-style-type: none"> <li>- major contours</li> <li>- water bodies</li> <li>- roads</li> <li>- proposed earthworks</li> <li>- neighbouring property boundaries</li> <li>- heritage resources and notable trees</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>○</li> <li>○</li> <li>○</li> <li>○</li> <li>○</li> <li>○</li> </ul>	<ul style="list-style-type: none"> <li>○</li> <li>○</li> <li>○</li> <li>○</li> <li>○</li> <li>○</li> </ul>
<ul style="list-style-type: none"> <li>• Plan/s drawn to an identified scale and other relevant information that show or describe the following (as appropriate):           <ul style="list-style-type: none"> <li>- title boundaries and existing building line restrictions; and</li> <li>- existing and proposed roads, accessways, service lanes, access lots, and private ways with relative widths, areas, and proposed gradients; and</li> <li>- proposed reserves with suggested classifications and improvements (eg. pathways, rest areas, play areas, landscape design, etc.); and</li> <li>- proposed easements (drainage, rights-of-way, etc.) with a memorandum and/or Schedule; and</li> <li>- proposed areas and volumes of excavation and/or filling, together with proposed finished contours; and</li> <li>- all of the above information, in concept plan form, for the balance area of the subdivider's property where there is potential for further, future subdivision of that area; and</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>○</li> <li>○</li> <li>○</li> <li>○</li> <li>○</li> <li>○</li> </ul>	<ul style="list-style-type: none"> <li>○</li> <li>○</li> <li>○</li> <li>○</li> <li>○</li> <li>○</li> </ul>
<ul style="list-style-type: none"> <li>• Site elevation plans (where appropriate) drawn at a scale of at least 1:100 showing:           <ul style="list-style-type: none"> <li>- the relationship of the proposed building/s with its immediate vicinity, and all boundaries and yards, including a side elevation of adjacent buildings; and</li> <li>- one or more perspectives of the building/s from appropriate vantage points; and</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>○</li> <li>○</li> </ul>	<ul style="list-style-type: none"> <li>○</li> <li>○</li> </ul>

*Information  
Provided*                      *Not  
Applicable*

- Plans and information describing:
  - existing and proposed sewage and stormwater disposal systems; and ○                      ○
  - existing and proposed power, telephone, and gas services; and ○                      ○
  - existing and proposed road crossings; and ○                      ○
  - the location of all existing and proposed signs; and ○                      ○
  - the location and design of existing and proposed loading and unloading provisions for business vehicles; and ○                      ○
  - the location and nature of any existing or proposed storage facility for hazardous substances; and ○                      ○
  
- Information on whether the site contains fill, and any evidence of soil creep, slumping, uncontrolled fill, or other site instability, including whether the site is on the Stratford District Council Register of 'Non-Standard' Sections; and ○                      ○
  
- Information as to whether the site is subject to any potential natural hazard, including flooding or inundation, erosion, landslip or subsidence; and ○                      ○
  
- C. • Whether other resource consents are required and whether these have been applied for. ○                      ○
  
- D. • An assessment of any actual or potential effects that the activity may have on the environment, and the ways in which any adverse effects may be avoided, remedied or mitigate. ○                      ○
  
- E. • Information specified in Section 219 of the Resource Management Act 1991. ○                      ○

To the best of my knowledge this form is factually correct. Where information supplied or otherwise indicates any actual or potential adverse effect on the environment, this has been addressed by an appropriate professional or in consultation with Council Staff, and included in the assessment of environmental effects.
