BUILDING CONTROL

Building fees and charges are charged under the Building Act 2004. Building infringements are determined by statute and can be found in the Building (Infringement Offences, Fees and Forms) Regulations 2007. The Building Research Association of New Zealand (BRANZ) levy is charge under the Building Research Levies Act 1969. The Ministry of Business, Innovation and Employment (MBIE) levy is charged under the Building Levy Order 2005

Government levies

Certain building consent applications must pay government levies in addition to Council's building consent fees below. We collect the levies and pay them to the Building Research Association of New Zealand (BRANZ) and the Ministry of Business, Innovation and Employment (MBIE). The BRANZ levy is \$1.00 per \$1,000.00 for building work valued at \$20,000 including GST or more. The MBIE levy is \$1.75 per \$1,000.00 for building work valued at \$20,444.00 including GST or more.

Accreditation fee

All building consent applications must pay a Council accreditation fee, in addition to Council's building consent fees. To issue building consents, we have to meet certain standards set by the government (accreditation). This fee helps to cover the cost of meeting those requirements (Building Accreditation of Building Consent Authorities Regulations 2006)

Accreditation levy (applies to all Building Consents)	\$1.80	Per \$1,000.00 building work
Building Research levy (BRANZ)	\$1.00 per \$1,000 value or part thereof for project valued at \$20,000 or more	
MBIE levy	\$1.75 per \$1,000 value or part thereof for project valued at \$20,444 or more	
Electronic Lodgement Fee	\$152.00	(This fee is included within the consent type fees below)
This fee is an external cost from a third-party service provider for the full process of a consent application.		

(There are two fee types)

Fixed fee

This fee covers projects where the costs are easily identified before application, or where an average rate is appropriate. The amount is fixed. No additional costs will be charged by Stratford District Council (SDC) in regards to the fee quoted.

Base fee

The base fee is based on the anticipated costs for the processing of the application. In some cases, actual costs of a project may exceed the estimated base fee due to external specialist input, amendments, additional information submitted, application complexity, inspection complexity or additional inspections undertaken. When this happens any additional amount will be charged in accordance with the staff charge out rates.

A typical calculation for the fee to pay can be done using this formula:

- Base Fee for category + MBIE/BRANZ levies (if applicable) + Inspections + Accreditation levy
- SDC inspection list can be found at <https://www.stratford.govt.nz/our-services/building/building-inspections>
