- Amanda Griffin
- Amy Taunt
- Isaac Ander
- Kylie Hancock
- Carina McQueen

CHAIRMAN'S REPORT

On behalf of the Trust it is my pleasure to present the report for the twelve months ended 30 June 2018. The period has been notable for the continued success of the exhibitions and visitor numbers and for the challenges taken on with establishing our retail outlet, Percy's Place. Rhonda, our Gallery Director is now into her third year and she has now clearly put her imprint on the programme and performance of the Gallery.

Financials

There was a cash surplus of \$6,000 compared with the budgeted surplus of \$1,000. The main features of this have been

- Higher Grant income to fund the TSBCT Emergence Youth Art Award.
- Higher commission income, largely from artists' work sold through Percy's Place.
- Lower investment income with maturing investments only being able to be reinvested at lower rates.
- Higher Salary and Wages costs, however this is more than offset by the TET grant that was specifically to fund the Gallery Assistant.

Gallery Director's Report of Operations

Percy Thomson Gallery has continued to build on its reputation as a vibrant, diverse and interesting regional art gallery, with the often heard comment from visitors, "you always punch above your weight".

Our reputation outside Stratford and within the art community holds strong and in many ways the gallery has become a Stratford 'brand', alongside our Glockenspiel, and, of course, our glorious Maunga Mt Taranaki, in that visitors have frequently heard about Percy Thomson Gallery as a regional attraction before they visit.

We are recognised in terms of the high calibre and diversity of exhibitions presented which has produced a large number of visitors over the past 12 months.

During the year we held 17 exhibitions, and approximately 24,000 visitors passed through our doors.

Exhibitions of national significance; Te Papa's Brian Brake's 'Lens on China and Japan, 'See Nothing' which appealed to the politically incorrect, 'I AM/WE ARE', the personal collection of renowned Kiwi art icon Nigel Brown and 'Hae Haea', a collection of work from this country's most accomplished Maori printmakers and clay workers. We were honoured to have a formal Powhiri for this event led by members of Whakuaharangi marae.

Curated exhibitions such as 'Down to Earth provide a vehicle for Taranaki artists to exhibit with a common theme.

A highlight of our busy exhibition calendar was our inaugural TSBCT Emergence Youth Art Award. This new initiative, made possible with the generous support of TSBCT, was a successful youth art competition for Taranaki affiliated artists, aged 15-26.

The competition encouraged and empowered these young, aspiring and emerging artists from Taranaki, while providing a showcase for their works.

The winner of the TSB Community Trust Emergence Award 2018 was Stratford-born 23-year-old Morgan Hancock. We are already planning ahead for Emergence Award 2020.

CHAIRMAN'S REPORT

Stratford Art Society exhibited twice, providing a showcase for local community artists.

The Taranaki Arts Trail Trust exhibition is a magnet to the punters who like to view the artwork before deciding which artists to visit.

We have encouraged school visits, providing programmes specific to certain exhibitions. These have been appreciated by pupils and teachers.

The gallery is almost fully booked for the next 18 months.

Our social media presence is well cemented and our website is of a very high standard, modern, and user-friendly. As well as current and upcoming exhibitions there is a growing archives section.

During 2017/18 the website had 11,311 page views, 19% more than the previous period. 84% were new users—and at 3657 unique users, the site had a 23.5% increase of users overall. New Plymouth, Auckland and Wellington made up about half of the traffic. Almost 9% of traffic was from the United States. 'Emergence Award 2018' was the most popular page (excluding home page) with 1259 visits.

Percy's Place, our new boutique art shop, has surpassed expectations and continues to attract sales with quality hand-made fine craft items by local artists and artisans. We have more than 40 hand-picked artists supplying the shop and manage to maintain a number of both volunteers and artists to man the shop seven days a week.

Air Conditioning

The air conditioning unit was replaced at the end of the last financial year. It has taken some time to have this bedded in. In the process some additional issues in the roof have been unearthed. These are currently being investigated.

Lower Investment Returns

We continue to be affected by the low level of interest rates that is seeing a gradual decline in returns as investments we have had for some time mature and are replaced at lower investment yields. Whilst this potentially puts a constraint on the Trust's activities the support from the TET and the TSB Community Trust and the opening of Percy's Place have enabled The Trust to operate without any significant additional constraint.

Summary

I particularly acknowledge the work of the trustees, Rhonda, our Gallery Director, Christine Craig and her team at the Council for administrative support, and the volunteers without whom the operation of the gallery would become most difficult.

The Trust continues to make an important contribution to the life and culture of the District. Our stewardship of Percy Thomson's legacy is our key role and we acknowledge the support of the Council and the TET and TSB Community trusts in making this happen.

Bruce Ellis

REPORT OF THE AUDITOR GENERAL

AUDIT NEW ZEALAND
Mana Arotake Aotearoa

Independent Auditor's Report

To the readers of Percy Thomson Trust's financial statements and performance information for the year ended 30 June 2018

The Auditor-General is the auditor of the Percy Thomson Trust (the Trust). The Auditor-General has appointed me, Andrew Clark, using the staff and resources of Audit New Zealand, to carry out the audit of the financial statements and performance information of the Trust on his behalf.

Opinion

We have audited:

- the financial statements of the Trust on pages 11 to 22, that comprise the statement of financial
 position as at 30 June 2018, the statement of financial performance and statement of cash flows for
 the year ended on that date and the notes to the financial statements that include accounting
 policies and other explanatory information; and
- the performance information of the Trust on pages 7 to 9.

In our opinion:

- the financial statements of the Trust on pages 11 to 22:
 - o present fairly, in all material respects:
 - its financial position as at 30 June 2018; and
 - its financial performance and cash flows for the year then ended; and
 - comply with generally accepted accounting practice in New Zealand in accordance with the Public Benefit Entity Simple Format Reporting – Accrual (Public Sector) Standard; and
- the performance information of the Trust on pages 7 to 9 presents fairly, in all material respects, the
 Trust's actual performance compared against the performance targets and other measures by which
 performance was judged in relation to the Trust's objectives for the year ended 30 June 2018.

Our audit was completed on 1 October 2018. This is the date at which our opinion is expressed.

The basis for our opinion is explained below. In addition, we outline the responsibilities of the Board and our responsibilities relating to the financial statements and the performance information, we comment on other information, and we explain our independence.

Basis for our opinion

We carried out our audit in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board. Our responsibilities under those standards are further described in the Responsibilities of the auditor section of our report.

We have fulfilled our responsibilities in accordance with the Auditor-General's Auditing Standards.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

REPORT OF THE AUDITOR GENERAL

Responsibilities of the Board for the financial statements and the performance information

The Board is responsible on behalf of the Trust for preparing financial statements that are fairly presented and that comply with generally accepted accounting practice in New Zealand. The Board is also responsible for preparing the performance information for the Trust.

The Board is responsible for such internal control as they determine is necessary to enable them to prepare financial statements and performance information that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements and the performance information, the Board is responsible on behalf of the Trust for assessing the Trust's ability to continue as a going concern. The Board is also responsible for disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless the Board intends to liquidate the Trust or to cease operations, or has no realistic alternative but to do so.

The Board's responsibilities arise from the Local Government Act 2002 and its Trust Deed.

Responsibilities of the auditor for the audit of the financial statements and the performance information

Our objectives are to obtain reasonable assurance about whether the financial statements and the performance information, as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit carried out in accordance with the Auditor-General's Auditing Standards will always detect a material misstatement when it exists. Misstatements are differences or omissions of amounts or disclosures, and can arise from fraud or error. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of readers, taken on the basis of these financial statements and the performance information.

For the budget information reported in the financial statements and the performance information, our procedures were limited to checking that the information agreed to the Trust's statement of intent.

We did not evaluate the security and controls over the electronic publication of the financial statements and the performance information.

As part of an audit in accordance with the Auditor-General's Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. Also:

- We identify and assess the risks of material misstatement of the financial statements and the
 performance information, whether due to fraud or error, design and perform audit procedures
 responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a
 basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher
 than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,
 misrepresentations, or the override of internal control.
- We obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Trust's internal control.
- We evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board.

REPORT OF THE AUDITOR GENERAL

- We evaluate the appropriateness of the reported performance information within the Trust's framework for reporting its performance.
- We conclude on the appropriateness of the use of the going concern basis of accounting by the Board and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements and the performance information or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.
- We evaluate the overall presentation, structure and content of the financial statements and the
 performance information, including the disclosures, and whether the financial statements and the
 performance information represent the underlying transactions and events in a manner that
 achieves fair presentation.

We communicate with the Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Our responsibilities arise from the Public Audit Act 2001.

Other Information

The Board is responsible for the other information. The other information comprises the information included on pages 1 to 3, but does not include the financial statements and the performance information, and our auditor's report thereon.

Our opinion on the financial statements and the performance information does not cover the other information and we do not express any form of audit opinion or assurance conclusion thereon.

In connection with our audit of the financial statements and the performance information, our responsibility is to read the other information. In doing so, we consider whether the other information is materially inconsistent with the financial statements and the performance information or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on our work, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independence

We are independent of the Trust in accordance with the independence requirements of the Auditor-General's Auditing Standards, which incorporate the independence requirements of Professional and Ethical Standard 1(Revised): Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board.

Other than the audit, we have no relationship with, or interests in, the Trust.

Andrew Clark

STATEMENT OF SERVICE PERFORMANCE

NATURE AND SCOPE OF ACTIVITIES

The Percy Thomson Trust covers three activities, the Art Gallery, the Arboretum, and the Herbarium

The Thomson Gallery is located in Prospero Place, the arboretum on Cloten Road near the intersection with Ariel Street, and the herbarium at the website www.taranakiplants.net.nz.

The Thomson Gallery is Stratford's public art gallery and was opened in June 2002. The gallery contains both exhibition areas and work areas for use by local artists and community art groups. The gallery provides an active programme of exhibitions and events that is both internally generated and toured from other art collections.

The gallery's main display area totals 178 m² which can be comfortably partitioned into two areas of 116 m² and 62 m² respectively.

OBJECTS OF THE TRUST

The objects for which the Trust is established are, to the extent that they are a Charitable Purpose within New Zealand, as follows:

- to receive the Thomson Arboretum, the Thomson Herbarium and the Thomson Gallery and to be responsible for the on-going establishment and maintenance of an arboretum, herbarium and art gallery in Stratford;
- to manage the Trust Facilities and to create, acquire, promote, exhibit and manage the collections for the benefit of the inhabitants of the Stratford District and the public generally;
- to endeavour to achieve the objectives the Council sets for the delivery of services in respect of the Trust Facilities as negotiated and set out in the Charter, the Business Plan, and the Strategic Plan;
- to implement the Council's policy as revised from time to time for the development and enhancement of the Trust Facilities with an emphasis on Stratford and in accordance with the Charter, Business Plan and Strategic Plan;
- to provide advice to the Council on the Council's long term policy for the development of gallery services in Stratford;
- to establish exhibition programmes and education policies for the Trust Facilities;
- to develop acquisition, de-accession and collection development policies for the Trust;
- to provide all financial, administration, marketing, technology and services required for the Trust Facilities;
- to determine charges for viewing or using any of the Trust Facilities and the Collections with a view to generating appropriate revenue and encouraging public enjoyment and utilisation of the Trust Facilities and Collections;

- to house and care for any art collections, antiquities or other articles acquired by, loaned, created or otherwise made available to the Trust and particularly to preserve and maintain the Collections (subject to any de-accession policies developed by the Trustees);
- to lease land or other assets where the Trustees determine that such land or other assets can be used in conjunction with the Trust Facilities or to promote the objectives of the Trust;
- to solicit and raise funds and carry out such activities as are necessary or conducive for the carrying out and giving effect to the objects of the Trust;
- to encourage and foster liaison and co-operative activities with related facilities, particularly those in the Stratford District; and
- generally to do all acts, matters and things that the Trustees consider may advance the objects of the Trust.

For the avoidance of doubt, the objects of the Trust expressed above are set out in no particular order or priority and do not include an intention or purpose that the Trust operates a trading undertaking with the intention or purpose of making a profit, but rather that the Trustees fairly and efficiently manage the Trust Fund, the Trust Facilities and the Collections for the benefit of the people of Stratford District.

The Trust's objects shall only be carried out in, or to benefit people in the Stratford District. The Trustees may carry out activities outside the Stratford District to promote the Trust or the Trust's activities but only if they believe that such activities will be for the ultimate benefit of people in the Stratford District.

Level of Service	Performance Measures	Actual 2017/2018	Target 2017/2018
Delivery of art exhibitions	Deliver proposed art exhibitions which will include local, regional and at least 1 National.	Art exhibitions were delivered throughout the year, which included	exhibitions which will include local, regional and at

PERCY THOMSON TRUST ENTITY INFORMATION FOR THE YEAR ENDED 30 JUNE 2018

Legal name

Percy Thomson Trust (the Trust).

Type of entity and legal basis

The Trust is incorporated in New Zealand under the Charitable Trusts Act 1957. The Trust is controlled by Stratford District Council and is a council-controlled organisation as defined in section 6 of the Local Government Act 2002.

The Trust's purpose or mission

The primary objectives of the Trust are to provide the Percy Thomson Gallery, Percy Thomson Arboretum and Percy Thomson Herbarium in accordance with the bequest left by the late Percy Thomson, and to be responsible for the ongoing maintenance of these assets.

Structure of the Trust's operations, including governance arrangements

The Trust comprises a Board of six Trustees who oversee the governance of the Trust, including a Chairman who is responsible for the day-to-day operations of the Trust and reporting to the Trustees, and five other voluntary members who support the Chairman in delivering against the Trust's objectives. At least 50% of the Trustees are appointed by the Stratford District Council.

Main sources of the Trust's cash and resources

An operating grant received from the Stratford District Council, investment income, and other forms of grant revenue are the primary sources of funding to the Trust.

Outputs

The Trust owns and maintains the building in which the gallery is situated and all expenses relating to this are incurred by the Trust. The Trust also promotes and exhibits various forms of art works in the gallery, and exhibition costs are also a major output for the Trust.

STATEMENT OF ACCOUNTING POLICIES FOR THE YEAR ENDED 30 JUNE 2018

ACCOUNTING POLICIES APPLIED

Basis of Preparation

The Board has elected to apply PBE SFR-A (PS) *Public Benefit Entity Simple Format Reporting* – *Accrual (Public Sector)* on the basis that the Trust does not have public accountability (as defined) and has total annual expenses of less than \$2 million.

All transactions in the financial statements are reported using the accrual basis of accounting.

The financial statements are prepared on the assumption that the Trust will continue to operate in the foreseeable future.

Goods and Services Tax

The Trust is registered for GST. All amounts in the financial statements are recorded exclusive of GST, except for debtors and creditors, which are stated inclusive of GST.

SIGNIFICANT ACCOUNTING POLICIES

Revenue

Grants

Council, government, and non-government grants are recognised as revenue when the funding is received unless there is an obligation to return the funds if conditions of the grant are not met ("use or return condition"). If there is such an obligation, the grant is initially recorded as a liability and recognised as revenue when conditions of the grant are satisfied.

Sale of goods

Revenue from the sale of goods is recognised when the goods are sold to the customer.

Sale of services

Revenue from the sale of services is recognised by reference to the stage of completion of the services delivered at balance date as a percentage of the total services to be provided.

Interest revenue

Interest revenue is recorded as it is earned during the year.

Employee related costs

Wages, salaries, and annual leave are recorded as an expense as staff provide services and become entitled to wages, salaries, and leave entitlements.

Performance payments are recorded when the employee is notified that the payment has been granted.

Superannuation contributions are recorded as an expense as staff provide services.

Advertising, marketing, administration, and other costs

These are expensed when the related service has been received.

Bank accounts and cash

Bank accounts and cash comprise a cheque account and deposits held at call with banks.

Debtors

Debtors are initially recorded at the amount owed. When it is likely the amount owed (or some portion) will not be collected, a provision for impairment is recognised and the loss is recorded as a bad debt expense.

Investments

Investments comprise investments in terms deposits with banks, listed bonds, and listed shares. Deposits with banks are initially recorded at the amount paid. If it appears that the carrying amount of the investment will not be recovered, it is written down to the expected recoverable amount.

Listed bonds and shares are initially recorded at the amount paid. If the market price of the investment falls below cost, the carrying value of the investment is reduced to the current market price. If the market price of the investment subsequently increases, the carrying amount of the investment is increased but limited to the original cost of the investment.

Property, plant, and equipment

Property, plant, and equipment is recorded at cost, less accumulated depreciation and impairment losses.

Donated assets are recognised upon receipt of the asset if the asset has a useful life of 12 months or more, and the current value of the asset is readily obtainable and significant. Significant donated assets for which current values are not readily obtainable are not recognised.

For an asset to be sold, the asset is impaired if the market price for an equivalent asset falls below its carrying amount.

For an asset to be used by the Trust, the asset is impaired if the value to the Trust in using the asset falls below the carrying amount of the asset.

Depreciation is provided on a straight-line basis at rates that will write off the cost of the assets over their useful lives. The useful lives and associated depreciation rates of major classes of assets have been estimated as follows:

Furniture and fittings 10-20 years (5%-10%)
Office Equipment 4 to 10 years (10% to 25%)
Buildings 20 to 80 years (1.25% to 5%)

Revaluation

The Trust has adopted tier 2 standards regarding the revaluation of its land and buildings in accordance with PBE IPSAS 17.

Revaluation increases and decreases will be transferred to equity.

Land and buildings were valued as at 1 July 2016 by Telfer Young (NZ) Ltd, Independent Valuers.

Unless stated valuations are carried out or reviewed by independent qualified valuers and are carried out at least on three yearly cycles. Valuations will be undertaken more regularly if necessary to ensure no individual item of property, plant or equipment within a class has a carrying value that is materially different from its fair value.

Creditors and accrued expenses

Creditors and accrued expenses are measured at the amount owed.

Employee costs payable

A liability for employee costs payable is recognised when an employee has earned the entitlement.

These include salaries and wages accrued up to balance date and annual leave earned but not yet taken at balance date.

Income tax

Tax expense is calculated using the taxes payable method. As a result, no allowance is made for deferred tax.

Tax expense includes the current tax liability and adjustments to prior year tax liabilities.

Budget figures

The budget figures are derived from the statement of intent as approved by the Board at the beginning of the financial year. The budget figures have been prepared in accordance with Tier 3 standards, using accounting policies that are consistent with those adopted by the Board in preparing these financial statements.

Tier 2 PBE Accounting Standards applied

The Trust has applied any Tier 2 Accounting Standards for asset revaluations only, in preparing its financial statements. This was to bring consistency in property revaluations between the Trust and its parent, Stratford District Council.

CHANGES IN ACCOUNTING POLICIES

There have been no changes to the accounting policies during the year.

NOTES TO THE FINANCIAL STATEMENTS

1. Other Grants Received

	Actual	Actual
	2017/18	2016/17
