## Stratford projects reach milestones

**Two of Stratford's current community projects have hit huge milestones recently, so we thought we'd share some photos.**

The Stratford Bike Park was blessed by Ngāti Ruanui's Koro Sandy Parata on Friday last week prior to the education cycle track, half basketball court and BBQ pavillion opening to the public. The first weekend of the school holidays saw a number of families enjoy the new space.

On Friday we also had the first set of framing arrive for the Aquatic Centre Development. These had to be craned onto the construction site.

To stay up to date with Council's current projects you can visit [stratford.govt.nz](http://stratford.govt.nz), follow Council on Facebook or keep an eye on our Central Link.

Framing for the Aquatic Centre Development is craned onto the construction site on 1 October 2021.

The Bike Park proved to be popular on the first day of the school holidays!
