

Summer of fun in the Stratford district!

Summer Nights returns for 2021 - save the dates

Council is excited to announce that Summer Nights will be back on the events calendar for its 11th year – scheduled across two weekends in February 2021.

You're invited to enjoy the musical talents of Aotearoa's favourite piano man, Shaun Preston – who will be joined by Stratford's very own star pianist Jack Moser and member of Taranaki's The Slacks, Scott Armstrong – on Saturday 13 February 2021 for our Summer Nights concert in the Ted McCullough Rhododendron Dell, King Edward Park.

Then come together again on Sunday 28 February for the Summer Nights movies at the Scout Den, King Edward Park to watch Sonic the Hedgehog (PG) and Trolls World Tour (G).

More details will be available on Council's Facebook page or visit stratford.govt.nz

Looking for something to do with the kids? Be in to win!

There's a lot to discover in Stratford, whether it's your favourite Shakespeare sonnet, the history of a heritage building, our natural wonders along the Patea River or the wonderful talent of local street artists!

Jump on the Stratford Discovery Trail, Te Ara o Ruaputahanga ki Whakaahurangi by picking up a map and kids icon hunt activity sheet from the Stratford i-SITE and Library in Prospero Place.

The trail ticks off all the favourite places and spaces in Stratford, plus a number of hidden treasures you might be yet to discover.

Grab the kids, get outdoors and find the six icons hidden along the trail. Once you've completed your kids icon hunt activity sheet, take a photo of the completed sheet at one of the trail's locations and upload it to Facebook or Instagram using the hashtag #stratforddiscoverytrail or email it to communications@stratford.govt.nz with your contact details.

Every entry will go in the draw for one of five \$100 prize packs. Entries close Monday 1 February 2021.

The trail is approximately 6km in distance and can be completed in one walk or explored across various adventures – it's entirely up to the explorer!

Keep an eye on the "watch this space" areas of the map too, as the trail continues to evolve with more to see and do coming in 2021. Council thanks the support of the Taranaki Electricity Trust in the ongoing development of the trail.
