

Applications are now open for the Stratford District Youth Council (SDYC) 2021/22 year

This is your chance to be a part of an awesome group of youth making a difference in our community.

Since 2003, SDYC has been championing local youth voices and running awesome youth events. It's an exciting time to be a part of SDYC with many opportunities to grow your skills and experience.

A team of diverse youth aged 12 to 24 years old who live, work and/or go to school in the Stratford district, SDYC meets on the first and fourth Tuesday of every month to have input into Council activities, build leadership skills and plan future activities that benefit our youth.

Activities outside of these meetings provide further opportunities to make the most out of the experience.

Previous SDYC members get stuck into an exercise at their training camp held in Te Wera.

Please contact Chade Julie, Community Development Manager on cjulie@stratford.govt.nz for more information or **apply today at [surveymonkey.com/r/APPLY4SDYC2021](https://www.surveymonkey.com/r/APPLY4SDYC2021)**

MTFJ Workforce Programme hits 100 youth registrations

Congratulations to Emily Armistead who was the lucky winner of a Bluetooth speaker as part of the Mayors Taskforce for Jobs Workforce Programme prize draw which was drawn once registrations reached 100.

Workforce Coordinator Lisa Holland has been working closely with Emily since she registered with the programme and she has now secured casual work as a Health Care Assistant with Age Care Central Ltd. This work will give her valuable skills for when she starts her nursing training at WITT. Well done Emily and all the best for your journey into study and full time work!
