Scarecrow Trail winners amuse and impress

Congratulations to the winning and highly commended entries for the 2022 Stratford Scarecrow Trail!

Amy Kingston, Community Development Officer, says there was fierce competition this year with over 86 imaginative entries.

"This is our sixth year running the Scarecrow Trail, and you'd think we'd have seen it all by this point. But no! The level of originality and creativity on display this year has been outstanding" says Amy.

"We can't wait to see what our community comes up with next year!"

Congratulations

Have an idea that can reduce waste? We can help!

We've created a \$25,000 Waste Levy Fund to support new activities and projects that reduce the amount of Stratford waste going into landfill.

Applications will open in February 2023, but Victoria Araba, Director - Assets, says she wants people to think now about projects that could avoid, reduce, recycle, recover, or reuse waste.

"We're a country of creative, practical thinkers. By supporting our community to tackle waste head on, we hope to see a measurable decrease in the amount of general waste in Stratford district," says Mrs Araba.
