

Entry form

Youth Week's 2024 theme is:

We may not have it all together, but together we have it all.

Māwherangi a tama roto ka taka, kāpuia ake ka pūrangiaho.

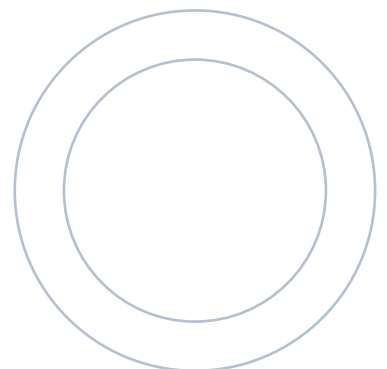

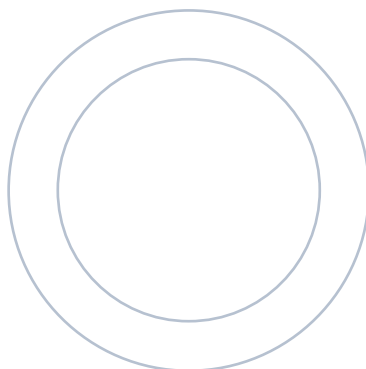

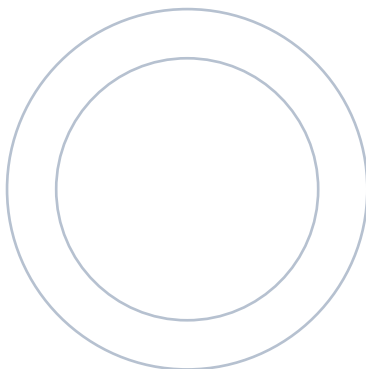

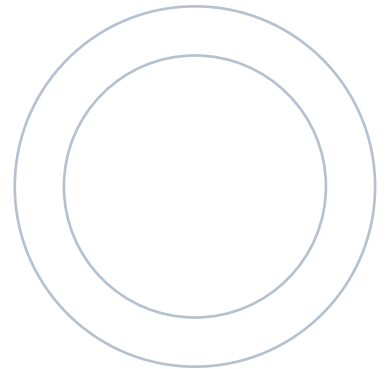

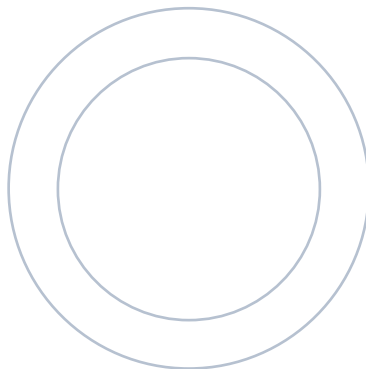

- Design a badge that reflects what Youth Week's 2024 theme means to you, using the circle templates. The inner circle is where you want to put your design - it's the bit that shows on the front of the badge. The outside circle shows the part of the paper that wraps around to the back of the badge.
- You don't have to use all the circles. We've got some extra there if you want to practice. Or you can do a few designs and see which one you like best.
- Take your completed designs on this form to **Murder Mystery Night** at the Stratford Library and Visitor Information Centre, then make your badge at the event. The library team will help you out.

PRIZES!

- | | |
|-----------|---|
| 1st place | \$50 Prezzy Card |
