

Opportunities for Māori Contribution to Decision Making Processes

As a Council, we recognise the special position of tangata whenua and the important role Māori have to play in Council's decision-making processes and aim to build and grow mutually beneficial, positive relationships with iwi and hapu situated within the Stratford District.

We acknowledge the following seven iwi as tangata whenua within the Stratford District. These are Ngāti Ruanui, Ngāruahine, Ngāti Maru, Ngāti Mutunga, Ngāti Tama, Ngā Rauru and Te Atiawa.

Council also recognises the role of Whakaahurangi Marae within the district.

Council provides opportunities for Māori contribution to decision making in the following ways:

Statutory

Section 81 of the Local Government Act, 2002 requires Council to provide opportunities for Māori to participate in Council decision-making and consider ways we can foster the development of Māori capacity to contribute to Council's decision-making. The Resource Management Act 1991 places further requirements on Council to support Māori participation and capacity in contributing to its decision making processes.

Significance and Engagement

The Significance and Engagement Policy sets out how Council will determine the significance of an issue, proposal, or decision and the level of engagement required with key stakeholders including iwi. This ensures a consistent approach is used when considering Māori contributions to Council's decision-making. Council acknowledges its unique relationship with Māori and supports this through:

- Establishing and maintaining processes to provide opportunities for Māori to contribute to decision-making;
- Taking into account the relationship Māori have with their ancestral land, water, sites, waahi tapu, and other taonga, when a significant decision relates to land or a body of water;
- Building ongoing relationships with Māori to enable early engagement in the development of appropriate plans and policies

Internal Capacity

To enable and enhance effective engagement of Maori in decision making processes Council has committed resource to support and guide its interactions with Māori, with a focus on building the cultural competency of our staff and elected members. This includes ensuring training on Te Ao Māori is available and supported, including basic te reo Māori, tikanga, local history, and relevant legislation. This enhances staff confidence and skills in engaging with Māori to establish and manage effective relationships.

Working Together

Council values its relationship with mana whenua, demonstrated through involvement in significant community events such as the Puanga and te wiki o te reo Māori celebrations, through active engagement in the development of new recreational facilities as well as policy and bylaw adoption processes. Cooperation is also directly benefiting from iwi being increasingly included in regional groups such as the Taranaki Regional Executive Group, Ngā Kaiwhakatere o Taranaki and Civil Defence.

Going forward Council is committed to adopt a more formal approach to further enable Māori in decision making by having regular liaison meetings, at both governance and operational levels, and by establishing a Māori engagement framework with local iwi.

Governance

In 2021 Council adopted a bilingual name Te Kaunihera a Rohe o Whakaahurangi Stratford District Council, and is looking forward to continuing the conversation around bilingual language use across Council operations, services and facilities moving forward. In May 2021 Council adopted to include a Maori Ward for the 2022 and 2025 local body elections.
